## Week 11 - Quiz

Due Oct 19 at 23:59      Points 15      Questions 15  
 Available Oct 18 at 0:00 - Oct 19 at 23:59      Time Limit None  
 Allowed Attempts 2

### Instructions

This is the eleventh weekly quiz.

Keep in mind that the quizzes do not directly contribute to your marks (except through your participation mark). This is so that you can feel free to actually use them to self-assess your progress and see how you are doing. This, of course, doesn't mean that you should ignore them. Indeed, they are a very important way for you to obtain feedback on how you are doing.

This quiz was locked Oct 19 at 23:59.

**Correct!**

This theory states that people should adhere to

Deontology

## Week 11 - Quiz INFO5990 Professional Practice in IT

their obligations and duties when engaged in decision making when ethics are in play - i.e. that a person will follow his or her obligations to another individual or society because upholding one's duty is what is considered ethically correct.

These theories are based on one's ability to predict the consequences of an action. A person believes the choice that yields the greatest benefit to the most people is the one that is ethically correct.

Utilitarianism ▾

Correct!

This theory judges a person by his/her character rather than by an action that may deviate from his/her normal behavior. It takes the person's morals, reputation, and motivation into account when rating an unusual and irregular behavior that is considered unethical.

Virtue ▾

## Question 3

1 / 1 pts
